

"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did so. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover." By M.Twain

Mini Bio

I'm a 21 year-old networker and wannabe social entrepreneur. I'm currently living in Portugal where I'm finishing my degree in Management.

I love to create things and I have always been proactive and an info-addicted. I co-founded a Portuguese Junior Enterprise Federation, founded a Think-Tank that discusses strategy, business models and innovation, was the organizer and host of TEDxYouth@Porto and more recently I'm organizing two Startup Weekends and two big conferences, about happiness & creativity and entrepreneurship.

In the last couple of years, I totally fell in love for the social entrepreneurship field and I want to learn and work on this field.

I love to travel, to read and to meet Changemakers and "Unreasonable People".
